5.6 HAZARDOUS AND NON-HAZARDOUS MATERIAL RESPONSE

CUSTOMER shall have the full and sole responsibility, at its expense, to manage and prepare all arrangements for the immediate remediation and removal of leaking, damaged or exposed hazardous or non-hazardous Cargo from the Terminal and for damaged (including leaking) non-hazardous Cargo remediation, transloading or removal from the Terminal. Such arrangements shall include but not be limited to: discussions with shippers, consignees or other responsible parties; contracting with all required vendors to complete the process described above; providing consistent status updates to OPERATOR; providing all applicable and/or required documentation of container and compensation to OPERATOR for all labor, equipment rental and materials provided during OPERATOR'S assistance with remediation efforts as may be agreed by and at the sole discretion of OPERATOR.

While responsibility always remains with CUSTOMER, if and when OPERATOR detects and/or determines that: (1) there is a leak or spill of a hazardous or non-hazardous chemical or substance; (2) a container is giving off an odor; or (3) a container has significant damage or has been involved in an incident that poses a risk or threat to the Terminal, environment, or employees, OPERATOR shall notify CUSTOMER and promptly take such action as is necessary and possible by OPERATOR to mitigate and correct the violation. These actions will be at CUSTOMER'S sole expense.

CUSTOMER shall be fully responsible for the treatment, Handling and disposal of such hazardous and non-hazardous containers and shall indemnify and hold OPERATOR harmless from and against all liabilities, expenses, governmental agency fines, citations and/or violations, losses or claims resulting from the release and/or disposal of hazardous substances, except in any case whereby OPERATOR, or its employees, agents or sub-contractors, is deemed negligent by competent independent authority.

CUSTOMER shall compensate OPERATOR for all chargeable stevedoring labor delays, deadtime, extra labor, and Services. Payments shall be made in U.S. funds via wire transfer with advance notice of invoice details, not later than thirty (30) days after receiving the undisputed invoice. Invoices shall be forwarded to CUSTOMER via electronic mail. If CUSTOMER disputes any invoices, then CUSTOMER shall notify, in writing, OPERATOR within 15 days after receiving such invoices. While disputed item is under review, CUSTOMER shall continue to pay the undisputed balance within the 30-day terms. In the event that payment against any undisputed invoice occurs after 30 days, CUSTOMER agrees to pay interest of outstanding sums at prevailing bank prime interest rates. Port of Long Beach Tariff items; such as, Wharf Storage and demurrage, are to be settled per Port of Long Beach Tariff rules and regulations.

OPERATOR at its own discretion, may temporarily discontinue or cut-off certain services including withholding demurrage refunds or collections to the CUSTOMER based on the age of unpaid invoices. OPERATOR shall be forced to exercise these options if OPERATOR has forwarded multiple invoice copies to the appropriate CUSTOMER personnel or CUSTOMER has not disputed invoices in writing with specific details or balance remains over 30 days for three (3) consecutive months. Further, OPERATOR shall have the right to take or set-off any or all sums held on CUSTOMER'S behalf for direct, indirect and acquired obligations including debts that CUSTOMER owes to OPERATOR regardless of the source of funds held by OPERATOR on CUSTOMER'S behalf. OPERATOR shall not be required to provide CUSTOMER with any prior notice to exercise this right of set-off.

10.1 CUSTOMER grants OPERATOR a lien on the Cargo while in the possession of OPERATOR and a lien against any vessel, container, chassis, Cargo, and any Equipment, as the term is defined in Section 7, (individually and collectively, "Available Security") to provide security for the payment of amounts due OPERATOR hereunder. As additional security for said amounts due OPERATOR, CUSTOMER grants OPERATOR a consensual lien on all Available Security of CUSTOMER concurrently or subsequently in OPERATOR'S possession. OPERATOR may assert its lien rights at any time, and in furtherance thereof may hold and/or store such Available Security until payment is received and/or sell such Available Security publicly or privately; in the event of sale, proceeds shall first be applied to sale costs, then to amounts due OPERATOR, with the balance, if any, to be remitted to CUSTOMER.

10.2 STORAGE AND WAREHOUSING

The following terms and conditions shall apply with respect to any storage or warehousing terminal services:

- A. Access/Use: All CUSTOMER access to and/or use of OPERATOR'S facility or services, for purposes of storage/warehousing or otherwise, shall be subject to the provisions of this Schedule:
- B. Rates and Charges: CUSTOMER shall pay for storage and/or warehousing services upon the rates and charges on OPERATOR'S written quotation, Schedule of Rates, Port of Long Beach Tariff, or other document that is approved by OPERATOR'S senior management in writing (collectively, "Applicable Rate"), which Applicable Rate from OPERATOR shall be deemed accepted by CUSTOMER upon commencement of any performance by either party. Upon any such acceptance, OPERATOR'S Applicable Rate shall be deemed fully incorporated herein and binding upon the parties. If no rate or charge was quoted or otherwise identified to OPERATOR for a particular terminal service, the rate/charge to be applied shall be OPERATOR'S rates and charges specified herein.
- C. Warranties: CUSTOMER warrants that it is the owner and/or has lawful possession of the Cargo and that it has sole legal right to store and thereafter direct the release and/or delivery of the Cargo. CUSTOMER agrees to indemnify, defend, and hold harmless, including attorney's fees, OPERATOR of and from any claim by others relating to the ownership, storage and release of the Available Security, and/or any other services provided by OPERATOR.
- D. Lien: OPERATOR shall have a lien on all Available Security in its possession for any charges for services rendered, storage, demurrage and any other charges due, including all costs and legal fees associated with collection of amounts due and enforcing this lien, or any other sums whatsoever payable by or chargeable to or for the account of Available Security under any bailment, receipt or other document issued by OPERATOR, and any contract preliminary hereto and any sums owed to OPERATOR by the person responsible for the account of Available Security or any affiliates thereof on prior accounts or shipments, and the cost and expenses of recovering the same (for purposes of this Section 10, all such charges, fees and costs collectively the "Charges and Costs"), and may hold any or all of the Available Security until all such Charges and Costs are fully settled.

If the Charges and Costs are not fully settled by the time of the Cargo release, or if the Available Security is otherwise unclaimed, after a reasonable time not to exceed thirty (30) days after arrival at the Terminal, or the time set forth in any Applicable Rate provision, OPERATOR may sell the Available Security privately or by public auction, or otherwise dispose of such Available Security, ten (10) days after sending the owner of record notice, via letter (U.S. Mail, postage prepaid, return receipt requested) or by actual notice by any appropriate means, of the amount of Charges and Costs owed, the date of sale and a statement informing the registered owner that if the Charges and Costs are not fully settled by the date of sale any or all of the Available Security will be sold and the proceeds

of such sale will be used to settle the Charges and Costs owed plus the costs of the sale. If the owner of record does not fully settle the outstanding Charges and Costs within ten (10) days of the mailing of the notice letter or giving actual notice, the sale will proceed as described in the notice. If the sale proceeds fail to cover the outstanding Charges and Costs, OPERATOR may recover the deficit from the party responsible for such Charges and Costs, or its affiliates owing any unsatisfied portion thereof. Sale proceeds beyond the Charges and Costs owed will be returned to the registered owner if claimed within one (1) year of the mailed notice.

- E. Security: In addition, CUSTOMER grants a security interest to OPERATOR in the Available Security and all proceeds derived from the Available Security for all charges and expenses (including money advanced and interest), whether incurred before or after delivery, and CUSTOMER agrees to execute and deliver all such documents as may be required to perfect such security interest. If Available Security is transferred from one party to another, and should the charges relating to such Available Security not be paid in full on the date of such transfer, the lien for such charges shall attach to the Available Security retained by the transferor and to Available Security transferred to the transferee. In the event a proceeding is brought by one party against the other to enforce any provisions herein, the prevailing party shall be entitled to legal fees and costs.
- F. Removal: OPERATOR may, upon thirty (30) days' notice to CUSTOMER, with or without cause, require removal of the Available Security or any portion thereof and payment of all charges, whether or not there has been default. If the Available Security is not removed, OPERATOR may sell the Available Security and exercise any other rights it may have by law. Without limiting the foregoing, OPERATOR may require the removal of the Available Security or any portion thereof upon ten (10) days' notice if, in its opinion, the Available Security has or may have deteriorated in value to less than the amount of OPERATOR'S lien on such Available Security.
- G. Liability: Liability for loss or damage to Cargo resulting from our failure to exercise due and proper care in performing the services provided for herein, incurred during the handling, loading, unloading, receipt, delivery, or storage of such Cargo on the terminal at any time, including applicable free time, shall not exceed \$500.00 (US) per package or customary freight unit, unless the value of the Cargo has been declared and other arrangements made with OPERATOR prior to its taking custody of, or assuming responsibility for the Cargo.

No provision contained in this schedule shall relieve OPERATOR from liability for its own negligence nor require any user to indemnify or hold harmless OPERATOR for liability for its own negligence.

OPERATOR shall be liable only for damage resulting from its failure to exercise

due and proper care in performing the services provided for herein. In no case shall OPERATOR be liable for a sum in excess of \$500.00 per package or per customary freight unit unless the trucker, shipper, Cargo owner or consignee or their representatives, prior to the commencement of such services, declares in writing a higher value and OPERATOR has agreed to accept such increased limits prior to OPERATOR taking custody of, or assuming responsibility for the Cargo, or other arrangements are made in writing with OPERATOR prior to its taking custody of or assuming responsibility for the Cargo.

In no event shall CUSTOMER be entitled to receive any special, incidental or consequential damages of any type or nature.

- H. Insurance: Stored Available Security is not and shall not at any time be insured by OPERATOR. Charges do not include any insurance coverage for Available Security stored or warehoused at the terminal facility.
- I. Application: In the event of any inconsistency between the foregoing provisions and any Applicable Rate provision, the foregoing provisions shall govern and apply in full.

11. INDEMNITY

- 11.1 CUSTOMER specifically understands, acknowledges and agrees that any and all providing of, access to and/or use of the Terminal and/or Services of OPERATOR by or on behalf of CUSTOMER shall be at CUSTOMER'S sole risk and expense. Aside from loss/damage to the Cargo itself, as addressed in Section 18 and elsewhere herein, CUSTOMER assumes sole responsibility for, and agrees to indemnify, defend, and hold OPERATOR, the Port and City of Long Beach, and each of their respective successors, assigns, parent companies, members, managers, officials, directors, officers, employees, agents, representatives, commissioners and other persons or entities acting for or on behalf of OPERATOR, the Port and/or the City of Long Beach harmless from and against all other loss, damage, expense, claim, liability, suit, fine and/or penalty of any type or nature whatsoever which in any way arises out of and/or relates to any providing of, access to and/or use of the Services, including attorney's fees and legal costs of OPERATOR incurred by or on behalf of CUSTOMER, including, without limitation, those respecting any loss/damage to the property of OPERATOR, CUSTOMER or any other person or entity, including other CUSTOMERS of OPERATOR, as well as those respecting the personal injury, illness and/or death claims of any person, including without limitation of any agent, employee, representative, guest, invitee, vendor and/or subcontractor of OPERATOR, CUSTOMER or any other person, including other CUSTOMERS of OPERATOR, howsoever caused and even if resulting in whole or part from the negligence (active or passive) or fault of OPERATOR. The foregoing indemnification shall be deemed to include any claim or suit by any employee (present or former) of CUSTOMER, and in furtherance of the foregoing,

CUSTOMER shall waive any immunity from suit, exclusivity of remedy and limitation upon liability which would have otherwise been afforded pursuant to any workers compensation act or similar law.

- 11.2 CUSTOMER shall notify OPERATOR immediately of any bodily and/or personal injury, illness and/or death, or of any property damage, related in any way to its access to or use of the Services. CUSTOMER shall promptly provide OPERATOR with written accident reports and shall cooperate fully with OPERATOR with respect to any investigation, including allowing inspection of personal property and access to personnel.
- 11.3 CUSTOMER shall incorporate in any bills of lading evidencing transportation agreements entered into for the transportation of Cargo for which OPERATOR'S Services under this Schedule are employed, a provision extending to independent servant's, agents and subcontractors of CUSTOMER (including OPERATOR and each of its subcontractors), the benefits and limitations upon liability of CUSTOMER thereunder, which shall include, but not be limited to, the provisions of the U. S. Carriage of Goods by Sea Act ("COGSA"), incorporated and extended to apply throughout the time during which OPERATOR performs Services under this Schedule. Any waiver by CUSTOMER of such limitation of liability provisions shall not be effective against OPERATOR. It is expressly agreed by the CUSTOMER that should such bill of lading provisions not extend the application of the COGSA defenses to the OPERATOR, the CUSTOMER will indemnify OPERATOR for those sums that it is liable for over and above the COGSA limitation of liability defenses. When CUSTOMER accepts Cargo on an ad valorem basis (also see Section 5.1 C. 5. above), the OPERATOR shall not be responsible for increased liability unless CUSTOMER gives written notice in advance to the OPERATOR in sufficient time for the OPERATOR to provide special Handling and/or supervision; and extra charges therefore shall be agreed upon between the parties at the time such notice is given. Such confidential notice shall include a description of the quantity, nature and location of the Goods.
- 11.4 In order for CUSTOMER to bring a cause of action against OPERATOR arising out of Cargo loss or damage caused by OPERATOR, CUSTOMER must: (1) have given written notice to OPERATOR of any damage or loss within one year after the CUSTOMER first receives notice, written or otherwise, of the damage or loss; and (2) file suit within one year of the date of settlement by CUSTOMER of any claim for such Cargo loss or damage or the date a judgment is entered against CUSTOMER in any action for such Cargo loss or damage. Moreover, any unilateral waiver of rights or extension of obligations by CUSTOMER, including COGSA, shall result in the discharge of any obligation of OPERATOR to CUSTOMER to the extent of such waiver or extension.

- 11.5 OPERATOR will not accept any liability for concealed damage or loss or the condition of the contents of containers received in damaged condition from vessel or inland carrier.

12. INSURANCE

- 12.1 OPERATOR does not provide any insurance whatsoever for the benefit of CUSTOMER, nor any insurance whatsoever covering CUSTOMER'S Cargo, property or personnel.
- 12.2 In addition to any legally mandated insurance, CUSTOMER will carry the following minimum insurance:
- A. Comprehensive General Liability Insurance with limits of Ten Million USD (\$10,000,000) per accident, including contractual liability coverage for CUSTOMER'S liabilities and obligations as set forth herein. Such insurance shall name OPERATOR, the Port and City of Long Beach, and each of their respective successors, assigns, parent companies, members, managers, officials, directors, officers, employees, agents, representatives, commissioners and other persons or entities acting for or on behalf of OPERATOR, the Port and/or The City of Long Beach as an additional insured and be endorsed to waive subrogation against OPERATOR, the Port and City of Long Beach and to be primary to any insurance of OPERATOR. CUSTOMER shall evidence this insurance by providing OPERATOR with a certificate of insurance prior to any access to or use of the Services. However, failure to provide the certificate of insurance will not waive the obligation to obtain the insurance; and
 - B. Auto Liability Insurance with limits of Ten Million USD (\$10,000,000) per accident
 - C. Carrier Insurance: Carrier CUSTOMERS shall secure and maintain customary marine insurances in respect of its operations and vessels, including, without limitation, protection and indemnity placed with the International Group of P&I Clubs, hull and machinery, and wreck removal insurances, and such other insurances as may be reasonably required by OPERATOR from time to time, if any. In addition, to the extent that the carrier CUSTOMER maintains an office and/or personnel and/or shore-side operations at the Terminal, the carrier CUSTOMER shall further secure and maintain the following insurances while receiving services at the terminal facility:
 - (i) Workers' Compensation Insurance as required by applicable federal and state laws;

- (ii) Comprehensive General Liability Insurance with limits of Ten Million USD (\$10,000,000) per accident; and
 - (iii) Auto Liability Insurance with limits of Ten Million USD (\$10,000,000) per accident
- D. Heavy Lift Insurance: Any CUSTOMER receiving heavy lift services at the Terminal shall secure and maintain the following insurances in effect while such heavy lift services are being provided:
- (i) first party property/cargo or cargo legal liability upon the item(s) being lifted to its/their full actual market value plus freight and insurance, with such policy to be specifically endorsed to provide a waiver of subrogation in favor of OPERATOR;
 - (ii) public liability/marine general liability insuring against bodily injury and property damage and including contractual liability coverage for CUSTOMER'S obligations hereunder, with minimum limits of \$10,000,000 and waiver of subrogation in favor of OPERATOR; and
 - (iii) workers compensation and employers liability insurance upon its employees and the employees of its subcontractors, if any.
- E. CUSTOMER shall indemnify, defend and hold OPERATOR harmless (including legal fees and costs) from and against any loss, damage, expense, claim, liability and/or suit resulting from CUSTOMER'S failure to provide an insurance as required and/or resulting from the failure of any such insurance, including without limitation exposure to loss, damage, expense, claim, liability and/or suit which would have been covered had insurances been procured and maintained as required.

13. INDEPENDENT CONTRACTOR

It is hereby understood that OPERATOR shall be an independent contractor and not an agent or employee of the CUSTOMER and all employees or laborers employed in the performance of Services under this Schedule shall be employees of the OPERATOR, or its subcontractors at all times and not of CUSTOMER.

14. APPLICABLE LAW

It is agreed by the parties to this Schedule that this Schedule shall be governed by the general maritime law of the United States, or in the event no United States general maritime rule of law applies, governed by the laws of the State of California as applied to contracts that are executed and performed entirely in California and that the Federal and State Courts located in the State of

California shall have jurisdiction over all claims, disputes and actions arising under this Schedule. Nothing herein contained shall be construed to deprive any party of any rights which each party may have against the other or its property in law, in admiralty or in equity as a result of any breach of the respective obligations hereunder.

15. FORCE MAJEURE

Should unusual conditions occur, including without limitation, damage or destruction to premises or facilities (including vessels or containers) by fire, flood, riot, earthquakes, tidal wave, heavy rains, high wind or windstorm, severe storm or other weather conditions or circumstances creating unsafe work conditions, explosion, force majeure, acts of God, the public enemy or other casualty, or should the operation by OPERATOR be suspended, abated, prevented or impaired by reason of war, war-like operations, seizure, marine casualty, governmental decree or regulation, stoppage of public power supply, curtailment of fuel supply, strikes, picketing, slow-downs or other labor disputes or negotiations, lockout or other work stoppage, or by reasons of any other conditions or occurrences beyond the control of the OPERATOR (such condition, a "Force Majeure Event"), including any such condition that may render the Terminal wholly or partially untenable, unsafe, or unfit for use, or so as to make it impractical for OPERATOR to make reasonable or full use thereof, then OPERATOR may be excused for its obligations without responsibility for any claim by another party to this Schedule arising out of such excused obligation, to the extent and duration of such Force Majeure Event.

16. ATTORNEY'S FEES AND COSTS

If any action at law or in equity is necessary to enforce or interpret the terms of this Schedule, OPERATOR shall be entitled to reasonable attorneys' fees, costs and necessary disbursements in addition to any other relief to which it may be entitled.

17. PARTIAL INVALIDITY

If any provision of this Schedule is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remaining provisions shall nevertheless continue in force without being impaired or invalidated in any way.

18. LOSS/DAMAGE TO GOODS (CLAUSE PARAMOUNT)

COGSA (46 U.S.C. §1300 et seq.) is fully incorporated into this Schedule and shall be applicable at all times the Goods are, or are deemed, in the care, custody and/or control of OPERATOR. OPERATOR shall not be liable for any loss/damage to or in connection with the Goods in an amount exceeding \$500 U.S. per package, or in the event of Goods not in such packages per customary freight unit, unless a higher value for the Goods has been declared in writing to OPERATOR prior to the commencement of any Services whatsoever and CUSTOMER has paid the increased Rates/charges resulting from such declaration of higher value. OPERATOR shall not be responsible in any event for any loss/damage to or in connection with the Goods if the nature

or value thereof has been misstated. OPERATOR shall not be liable to CUSTOMER or any other respecting the Goods except as set forth in this Section, whether for loss, damage, delay, shortage, misdelivery, failure to deliver or otherwise, and/or in tort, contract or any other theory.

In the event any damage or loss could have occurred during some other mode of transportation or while in the care, custody, or control of any other provider, including the CUSTOMER, such loss or damage shall be deemed to have occurred while in the care, custody, or control of the other provider or CUSTOMER.

19. UNCONTROLLABLE CAUSES OF LOSS/DAMAGE

OPERATOR shall not be liable for any loss/damage to or in connection with the Goods which arises and/or results from any of the following: unseaworthiness, unless caused by want of due diligence; act, neglect or default of master, mariner or pilot in the navigation or management of a vessel; fire, unless caused by the actual fault and privity of OPERATOR; perils, dangers and accidents of the sea or other navigable waters; act of God; act of war; act of public enemies (including terrorism); arrest or restraint of princes, rulers or people, or seizure under legal process; quarantine restrictions; act or omission of CUSTOMER, its agent or representative; strikes or lockouts or stoppage or restraint of labor from whatever cause, whether partial or general; riots and civil commotions; saving or attempting to save life or property at sea; wastage in bulk or weight or any other loss or damage arising from inherent defect, quality or vice of the Goods; insufficiency of packing; insufficiency or inadequacy of marks; latent defects not discoverable by due diligence; and any other cause arising without the actual fault and privity of OPERATOR.

20. NO CONSEQUENTIAL DAMAGES

OPERATOR shall not under any circumstances be liable to CUSTOMER or any other for any indirect, consequential, exemplary, or special damages of any type or nature whatsoever, including, without limitation, any damages consisting of lost profits, lost income, lost business, lost business opportunity, interruption of business, loss or use and/or loss of ability to use undamaged component or system parts, regardless of whether such damages may have been foreseeable.

21. LOSS/DAMAGE CLAIMS

The following are agreed to be conditions precedent to any recovery from CUSTOMER for loss/damage to or in connection with the Goods.

- A. There shall be no right to recover until all amounts due OPERATOR have been paid in full.
- B. The Goods must be carefully inspected by CUSTOMER immediately upon completion of the Services and delivery from OPERATOR, and any loss/damage evident at such time must be identified to OPERATOR in writing and with particularity, including photographs of the damages.

- C. Unless written notice of loss/damage and the general nature thereof is given to OPERATOR upon completion of the Services and delivery of the Goods from OPERATOR, or within three (3) days thereafter if the loss/damage is not apparent at such time, delivery of Goods from OPERATOR shall be prima facie evidence of delivery from OPERATOR in good order, count and condition.
- D. In the event of Goods which have been delayed, lost or otherwise not delivered by OPERATOR as contemplated, OPERATOR must be given written notice of such delay, loss or non-delivery within fifteen (15) days from the date upon which the Goods should have been so delivered.
- E. OPERATOR shall have a reasonable opportunity to inspect the Goods, including their packing, packaging, etc., in the same condition as upon completion of the Services and before any repair, alteration, salvage, or destruction.

In any event, OPERATOR shall be forever discharged from liability for any loss/damage to or in connection with the Goods unless suit is filed in the forum identified in Section 14 within one (1) year after the date of delivery from OPERATOR or the date on which the Goods should have been so delivered.

OPERATOR shall be entitled to set-off any amounts owed or due by CUSTOMER or Goods against any claim.

22. CLAIM DOCUMENTATION

CUSTOMER'S written notice of loss/damage to or in connection with the Goods must include and attach copies of the following, as applicable: all bill(s) of lading, transportation agreement(s), receipt(s) and other document(s) identifying the Goods, consignor, consignee, vessel, voyage, shipping date, etc.; all manifests, packing lists, stow plans, loading/discharge reports, tally/count sheets, Cargo receipts, etc.; all agreements, invoices and receipts respecting any sale of the Goods; all correspondence respecting the Goods and/or their transportation; all inspections, surveys, photographs, claim bills, invoices and statement of losses respecting the Goods and/or the loss/damage being claimed, including documents supportive of any mitigation, salvage, market analysis and disposition efforts; and all other documents, instruments, records, data, drawings, photographs and information of any kind or nature whatsoever which may be pertinent or helpful to an understanding of the nature of the Goods, the particulars of their transportation and/or the loss/damage being claimed.

23. DUTY TO ACCEPT GOODS

CUSTOMER shall be responsible for accepting the Goods, or having the Goods accepted, from OPERATOR upon completion of Services and any inspection thereof requested by OPERATOR, even if such Goods are claimed to have suffered loss/damage. CUSTOMER shall not abandon any

Goods at the Terminal or otherwise with OPERATOR for any purpose or under any circumstances whatsoever.

24. REFUSED/ABANDONED GOODS

OPERATOR reserves the right to hold, lien, store, warehouse, sell (publicly or privately) and/or dispose of any Goods which are abandoned and/or refused by CUSTOMER or any shippers, carriers, consignees, etc., after due notice has been sent to relevant persons known to OPERATOR and time for pick-up has passed, without further notice, at OPERATOR'S discretion and CUSTOMER'S sole risk and expense.

25. ACCESS AND USE

Any access to and/or use of the Terminal and/or the Services of OPERATOR whatsoever by or on behalf of CUSTOMER shall be deemed CUSTOMER'S express agreement with the provisions set forth in this Schedule, including without limitation the security provisions contained herein, and the access and use provisions of this Section. OPERATOR may request that CUSTOMER sign a separate, written Access Agreement, prior to such access/use or otherwise, in which event the signed, written agreement shall be deemed incorporated herein and applicable concurrently with this Schedule, with the provisions of the signed, written agreement to supersede the provisions of this Schedule to the extent of any direct conflict but no further.

- A. Non-Exclusive: All access to and/or use of the Terminal and/or the Services of OPERATOR by or on behalf of CUSTOMER is agreed to be non-exclusive and for the limited purpose requested by CUSTOMER and agreed by OPERATOR. CUSTOMER understands and acknowledges that activities by OPERATOR and others will be on-going at the Terminal, and that such activities may be dangerous to those participating and others. CUSTOMER, including its employees, subcontractors, agents and invitees, agrees to not interfere with any operations being conducted at the Terminal and to not create any danger or safety hazard whatsoever at the Terminal. Unless otherwise specifically agreed by OPERATOR in advance, all access and use of the Terminal shall be restricted to normal working hours.
- B. Inspection: OPERATOR makes no warranties whatsoever with respect to the Terminal or CUSTOMER'S access or use thereof. Prior to access, on at least a daily basis, CUSTOMER shall conduct a thorough inspection of the Terminal and the areas which it intends to access or use, including areas adjacent thereto, for the purpose of determining their safety and suitability for CUSTOMER'S intended access and use. If CUSTOMER believes there is any problem as to safety or suitability, and/or if any such problem develops during CUSTOMER'S access or use, CUSTOMER shall immediately cease all of its operations and notify OPERATOR. If the condition cannot be changed by mutual agreement so as to assure safety and suitability to CUSTOMER'S satisfaction, CUSTOMER shall promptly withdraw its materials, supplies, tools, equipment, personal property,

employees and subcontractors and its requested access/use shall be deemed voluntarily terminated. Once CUSTOMER begins any access or use of the Terminal whatsoever, or continues to conduct operations at the Terminal, it shall be irrevocably presumed that the Terminal was inspected and accepted by CUSTOMER as both safe and suitable for its operations.

- C. Compliance: CUSTOMER, including its employees, subcontractors and invitees, shall conform with all local, port, municipal, county, state and federal laws and regulations applicable to CUSTOMER'S operations, including without limitation those promulgated by the EPA, OSHA, WISHA, DOT, FMCSA, DHS and/or USCG, and shall be responsible for any violation of the same.
- D. Safety and Other Rules: CUSTOMER shall be responsible for assuring that all of its employees, subcontractors and invitees learn and obey OPERATOR'S safety and other rules, whether posted, given in writing, set forth herein and/or advised verbally, and that all such persons otherwise wear hard hats, safety vests and other personal protective equipment as required by OPERATOR.
- E. Clean-up: CUSTOMER shall remove all of its materials, supplies, tools, equipment, personal property, employees and subcontractors from the Terminal daily, and shall otherwise keep all areas used by CUSTOMER clean and free of debris.
- F. No Security: OPERATOR does not provide any security for the materials, supplies, tools, equipment or personal property of CUSTOMER or any others at the Terminal. CUSTOMER shall be solely responsible for the security of all such items, including those of its employees, subcontractors, agents and invitees, and is cautioned to watch the same carefully and remove all such items on at least a daily basis and store them safely elsewhere.
- G.
